@huberts – Central living in the south of Klagenfurt

The new residential complex on Hubertusstraße is the perfect place to relax and feel at home. It is situated in the immediate vicinity of Klagenfurt's beautiful old town and, in addition to numerous shopping opportunities in the city centre, also offers great leisure activities, such as the nearby Wörthersee and Europapark.

The two modern residential blocks offer a total of 52 rental flats and each feature an open-air area that further expands the living space and enhances the quality of life. In addition, there are a total of 37 outdoor parking spaces, one disabled parking space and six spaces equipped for an electric charging point.

STRAUSS Property Management has managed the residential complex since its completion and, with its comprehensive service, ensures the quality of life in the area.
