Living in the Seefeld Olympic Region

The wheelchair-accessible apartments themselves are south-west-facing, creating sunny and cheerful living spaces. Other advantages of this project are its top-quality furnishings and direct link to the pedestrian zone in the centre of Seefeld.

STRAUSS Property Management has managed both buildings ever since they were completed and handed over to their owners in 2017. It also safeguards the quality of life at the location with its comprehensive services.

Impressions

Image notes

1

High quality housing.

Clean air, picturesque surroundings and excellent administration safeguard the quality of life at Klosterstraße Seefeld residential park.

2
