Quality of life and investment in Vienna-Margareten

The high number of freehold flats means that flawless coordination with facility management is necessary. This allows the staff at STRAUSS Property Management to seamlessly cater to owners' and residents' requirements and concerns. The services provided by our company include managing the property and looking after the tenants of over 70 flats bought as investments.

Image notes

1

Relaxed living in the heart of the city.

Spacious, green outdoor areas provide the residents of the 235 flats with a peaceful atmosphere in a top urban location.

2

Art and architecture

Sculptures placed around the plots between the buildings provide a special, exclusive flair.
